

STAGE FIVE

10 REVOLVER 6 RIFLE 4+ SHOTGUN

START: Inside the fort tower, rifle in hand loaded with 6 rds; Two revolvers loaded with 5 rds each, holstered; Open, empty shotgun staged anywhere safely inside fort tower.

ON SIGNAL: With rifle engage R1-R6 through the fort tower window once each for 6 rds, make rifle safe vertically. With shotgun engage both aerial shotgun targets, S1-S4 (two actuators and two flyers) through fort tower window. **Taking shotgun with you**, move to either the left or right bale. You may make up misses on the flyers by engaging the stationary shotgun target (S) - 1 rd for each missed flyer. Make shotgun safe. With revolvers alternate between P1-P2 for 5 rds and alternate between P2-P3 for 5 rds (you may start with either pair).
